Principal Message

Preschool Transition

We are looking forward to the Preschool transition program this Thursday to compliment the Kindergarten transition program already in full swing. There will be a lot of excitement while our youngest students explore their new classrooms and learning environments and meet their 2023 teachers. We look forward to meeting everyone and welcoming them to our school community.

Colour Run

Keep those Colour Run books coming in and setting those goals for the annual fundraiser. Students continue to discuss with me their budgets and wonder around what prizes they intend to purchase. If you need another book please send it through.

Principal Message Continued.....

School Uniform

If you are leaving the school and wish to donate your old school uniform to the seconds shop, please make sure the uniform is in a decent condition for the next family and send it in to the front office. We are happy to reduce and reuse where possible.

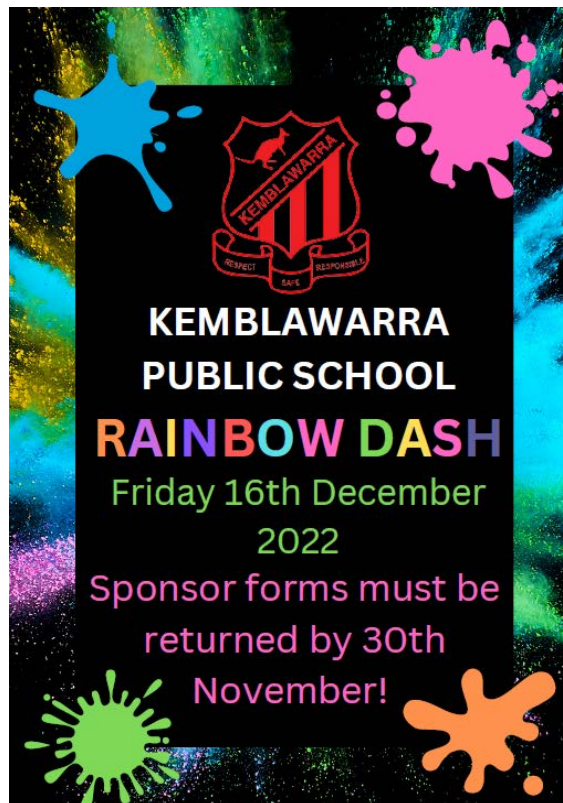

2023 Enrollments

If you intend on enrolling a sibling or leaving the area, please let the school office know as soon as possible.

Term 4 Calendar

As we enter the festive season there are loads of extra opportunities and programs available to students and families. We have many school events coming up including school excursions, Carols and school graduation ceremonies. Please make sure you check the calendar and are aware of the dates for your child around any changes or extracurricular events.

Regards
Miss Schroder
Principal

Class News: Aqua

This term, Aqua are learning to write to entertain by writing descriptions of monsters. They have been focusing on using interesting adjectives to add more detail to their writing. Here are some artworks and writing Aqua have created over the course of this term:

Class of the Week:

Skobeloff and Bisque both had their hats 100% of the time last week. They will receive their reward of a Zooper Dooper ice block each this coming Friday.

Kindergarten Transitions:

Last week, Kindergarten had their second orientation session. Miss A, was very impressed with how well they transitioned into the classroom, followed instructions and completed their activities. Well done to all.

Positive Rewards Focus

The focus for the fortnight of Week 7 and 8 will be:

I try my best in all activities

- I participate in all school activities
- I give my best effort towards classroom tasks
- I take pride in my work and my learning
- I complete my homework and home reading

Don't forget extra Jumpys will be handed out!!

RESPONSIBLE

Attendance Matters

Every student. Every day.

At Kemblawarra Public School attendance matters!

Give your child every chance to succeed.

**45 King Street,
Warrawong NSW 2502**

Greetings,

We'd like to introduce an innovative service for hair lice removal. Recently opened inside Cincotta Discount Chemist Warrawong, Illawarra lice Clinic is the first of its kind in the Illawarra region.

As most parents and schools are aware, head lice have become immune to traditional chemical - pesticide treatments commonly purchased in super markets and pharmacies. Head lice are becoming bigger (super lice) and more resistant to traditional treatments, in some cases it can take weeks to remove the lice and nits from a child's hair. Most traditional pesticide for head lice and nits require multiple treatments and endless hours of combing. They can also be harmful/damaging to the child's health, scalp and hair - as they contain harsh chemicals. Head lice has always been a problem with school communities, with a child needing to miss school for treatment or until problem has been resolved.

At Illawarra lice clinic we provide a nontoxic, chemical free and once off treatment with guaranteed results. Our clinic will also provide the child with a treatment certificate, giving the child the ability to return to school the very next day, without the fear of spreading the lice within the school community to students and staff. Our treatment doesn't require multiple visits as it suffocates the lice and nits during the process.

Our services are provided by highly experience and trained staff to ensure absolute results each and every time. Our treatment is TGA registered meaning it'd completely chemical and pesticide free and safe for everyone, including those with sensitive skin.

For more information please follow our social media pages on Facebook and instagram. Alternatively, call our clinic or follow the QR code "book online".

To book a treatment please follow the QR code or call our clinic on (02)4274 2969. Prices for treatments are listed there. A certificate of treatment will be issued to all the day of treatment with a guarantee.

Sincerely,

A handwritten signature in black ink.
