31 January School Resumes for Students

Principal Message

Celebration of Learning Assembly

What an amazing celebration it was this year to be joined again by our whole community to celebrate the achievements of our students for 2022. We were honoured to have our special guests attend, including our dignitaries and Members of Parliament. Mostly we felt extremely proud to be able to celebrate with the students and their families. Well done to all the students who received awards and to all students for successfully completing their 2022 school year.

Principal Message Continued.....

Preschool Graduation

Well done to all our Keen Kangas and Jump in Joeys for completing their first year of schooling with us at Kemblawarra Public School. We are very proud of all your growth and achievements throughout the year. We send you off with many well wishes for the rest of your learning journey at your new schools. To our Jump in Joey families and students, we are excited to start the next chapter of your educational career with us and look forward to seeing you after the school break ready for kindergarten.

Year 6 Farewell

What an epic send off for our year 6 students. Students enjoyed the formalities of their Graduating Assembly followed by their activity day and a formal lunch finished with a disco. All students had a sensational time and it was a pleasure to share this moment with them. They will be missed dearly by all their peers and staff. However, we know that great things await them and the next chapter of their educational career is an exciting time in their lives. We send all our wishes and love with them and look forward to hearing about their adventures when they come back to visit. Congratulations to the Year 6 students of 2022!

School Leaders 2023

We are excited to announce our school leaders for 2023. Congratulations to our School Captains for 2023, Aluel and Harry and our Vice Captains Emiaa, Amelia and Chelsee. With an unusual tie in votes this year we have the privilege of 2 School Captains and 3 Vice Captains. Well done to those students and we look forward to seeing you lead next year. There will be an Induction Assembly early in Term 1 2023.

Classing for 2023

Classes will be finalised in the first week of school Term 1 2023. Students will return to school in their current class groups at their normal morning assembly location.

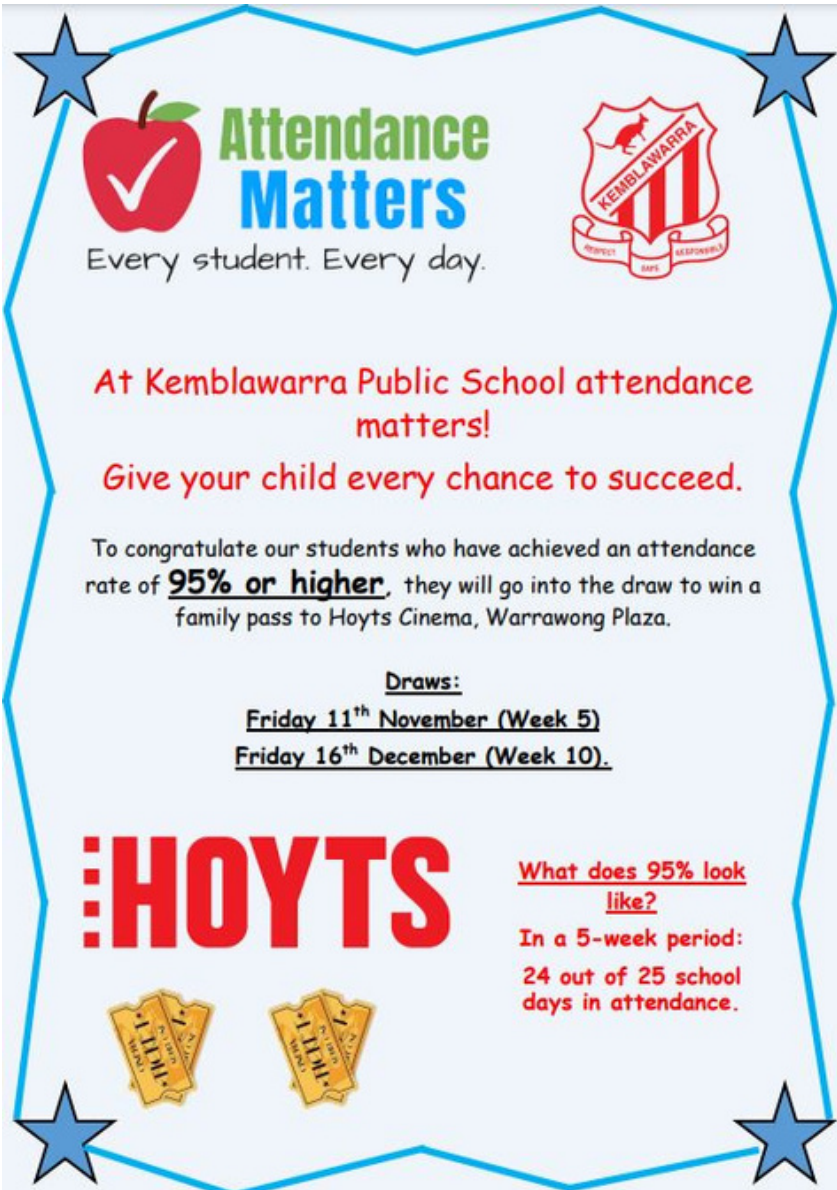

Students v Teachers Cricket Match

It has been a long time coming with last year being postponed, the annual teachers v students cricket match. Today was another day of celebrations for the teachers! Unfortunately the students couldn't get there in the end, but it is fair to say they put up a good challenge. Well done to all the students who played, maybe next year will be your winning year.

Week 10 Attendance Movie Vouchers

Congratulations to Saphira Milton and Izayah Rodgers for their outstanding attendance this term. Both have won a Family Cinema Pass to Hoyts for themselves and their family. Well Done!!

Attendance Matters
Every student. Every day.

At Kemblawarra Public School attendance matters!
Give your child every chance to succeed.

To congratulate our students who have achieved an attendance rate of **95% or higher**, they will go into the draw to win a family pass to Hoyts Cinema, Warrawong Plaza.

Draws:
Friday 11th November (Week 5)
Friday 16th December (Week 10).

HOYTS

What does 95% look like?
In a 5-week period:
24 out of 25 school days in attendance.

Our school continues to use a CCTV system in our classrooms and external to our classrooms

HIPPY

PLAY BRINGS CHILDREN JOY AND HELPS THEM LEARN

JOIN THOUSANDS OF FAMILIES DOING HIPPY ACROSS AUSTRALIA

OUR PROGRAM

HIPPY is available in the Warrawong, Lake Heights, Primbey, Port Kembla, Berkeley, Unanderra and Cringila areas.

Express your interest

HIPPY is a free two-year, play based curriculum of fun activity packs.

Starting when your child turns three, your HIPPY Tutor will practice the activities with you using role play in home visits.

Each pack has activities for you to do with your child and ideas so that learning can happen anywhere at any time.

HIPPY assists children to become curious learners and to achieve important developmental milestones.

1 Play-based activities

2 Empowers you to be your child's first teacher

3 Supports your child's transition to school

4 Supports development, community connection and confidence

HIPPY Tutors

HIPPY Tutors are parents/carers who have also done HIPPY with their own child. They are then trained in the activities, ready to practice them with you.

This peer-to-peer learning supports a safe and nurturing learning space for parents.

HIPPY GATHERINGS

Group Gatherings give parents and carers a chance to learn more about their children's development and behaviour; and to find out about local services, schools, and free local activities.

You'll meet new families and make friends. You can relax and chat while your children play with other HIPPY children.

Illawarra Lice Clinic
LOCATED inside Cincotta
Discount Chemist
Warrawong

Social Media

Book Online

(02) 4274 2969

**45 King Street,
Warrawong NSW 2502**

Greetings,

We'd like to introduce an innovative service for hair lice removal. Recently opened inside Cincotta Discount Chemist Warrawong, Illawarra lice Clinic is the first of its kind in the Illawarra region.

As most parents and schools are aware, head lice have become immune to traditional chemical - pesticide treatments commonly purchased in super markets and pharmacies. Head lice are becoming bigger (super lice) and more resistant to traditional treatments, in some cases it can take weeks to remove the lice and nits from a child's hair. Most traditional pesticide for head lice and nits require multiple treatments and endless hours of combing. They can also be harmful/ damaging to the child's health, scalp and hair - as they contain harsh chemicals. Head lice has always been a problem with school communities, with a child needing to miss school for treatment or until problem has been resolved.

At Illawarra lice clinic we provide a nontoxic, chemical free and once off treatment with guaranteed results. Our clinic will also provide the child with a treatment certificate, giving the child the ability to return to school the very next day, without the fear of spreading the lice within the school community to students and staff. Our treatment doesn't require multiple visits as it suffocates the lice and nits during the process.

Our services are provided by highly experience and trained staff to ensure absolute results each and every time. Our treatment is TGA registered meaning it'd completely chemical and pesticide free and safe for everyone, including those with sensitive skin.

For more information please follow our social media pages on Facebook and instagram. Alternatively, call our clinic or follow the QR code "book online".

To book a treatment please follow the QR code or call our clinic on (02)4274 2969. Prices for treatments are listed there. A certificate of treatment will be issued to all the day of treatment with a guarantee.

Sincerely,

Peppe Raso - Chief Pharmacist
