End of Term Message

What a term of learning we have had! We wish all families a safe and happy holiday break.

Remember to take care when crossing the roads, wear a helmet when riding bikes, scooters and skateboards. We look forward to hearing about all the adventures and experiences when students return on 18 July.

We are currently transitioning to School Bytes – Parent communication and finance system. You can now register for the School Bytes Parent Portal using the following link:

<https://portal.schoolbytes.education/auth/register>

Once registered and logged in, you will be able to link yourself to your child/children through details such as your email address and phone number, which will be matched against the data that the school has on record for your child/children. If you are experiencing issues during this step, please feel free to contact the school and we will assist.

Unleash Your Inner Dancer: Join Us for an Exciting **Free Workshop During the School Holidays!** We're thrilled to invite you to a captivating dancing workshop held at Kemblawarra Public School on July 5th, 2023, from 11:45 am to 1:15 pm. Variety has created the we care therapy grant, which is allowing them to provide financial assistance to children who need it the most. There are grants of up to \$2000 over a 12 month period for therapy that include: physiotherapy, OT, speech therapy, hydrotherapy, psychology and exercise physiology. It's for 0-18 years old living in NSW/ACT with household income of less than \$120,000 pa where they are waiting for NDIS or are not eligible.

Every year, hundreds of children who have been diagnosed with a disability or long-term health condition have to face long wait times for an NDIS plan or are ineligible for NDIS support altogether. That's why Variety NSW/ACT has created the We Care Therapy grant, providing financial assistance towards therapy costs to assist children who need it most.

Grants of up to \$2000 are available over a twelve-month period and applications are open all year round.

Eligible therapy requests include:

Physiotherapy
Occupational Therapy
Speech Therapy
Hydrotherapy
Psychology
Exercise Physiology

Click below to read the guidelines and to submit an application. Once you start an application, you can save and come back to it at any time.

School Holiday fun!

There are plenty of things to do at IPAC and Wollongong Town Hall during the School holidays. Kids aged 5 - 12 can jump into our popular Merrigong Creativity Camp (10 - 14 Jun) for a week of confidence-building drama games. Fans of Andy Griffith's book series will be over the moon when JUST - Live on Stage (14 - 15 Jul) finally comes to Wollongong with all the crazy, annoying, silly antics of Andy, Danny, and Lisa. And for preschool kids (and the young at heart), embark on a hilarious rocking musical extravaganza about working together and finding friendship in Hiccup! (Wed 19 Jul).

For more information and to book tickets, visit merrigong.com.au or call our Box Office on (02) 4224 5999.

Your child doesn't need a diagnosis to get help

If you have a child younger than 7, and are concerned about their development, talking to a professional who knows your child best, is a good place to start.

This could be your child's doctor, early childhood educator or child health nurse.

Concerns about your child's development may include how they:

- Play and move around
- Do things to take care of themselves
- Socialise with other children
- Communicate what they want
- Compared with other children their age.

If your child's health or education professional agrees there are developmental concerns, our early childhood partners can help connect you to the right supports. You do not need a diagnosis from a medical professional to access support through our early childhood approach.

Connect with your local early childhood partner

Our early childhood partners are professionals with experience working with children with developmental delay or disability and their families.

Early childhood partners will work with you to understand your child's needs and connect you to the supports and services that best meet your child's needs. These supports and services are called early connections.

Find your local early childhood partner.

The flyer features a collage of children's faces in the background. A large, stylized '8' logo with 'motiv8sports' text is at the top left. The main title 'THE MOTIV8 GAMES' is in large, green, block letters. Below it, a banner reads 'IT'S TIME TO GO FOR GOLD'. A child in a Motiv8 cap and jersey holds a star-shaped medal. Another child holds a 'FUTURE ALL-STAR TEAM' trophy. The text is arranged in a dynamic, angled layout with green and black accents.

THE MOTIV8 GAMES

IT'S TIME TO GO FOR GOLD

USING SPORT AS A TOOL TO MOTIV8, INSPIRE & ENTERTAIN CHILDREN IN A SAFE SPORTS DREAMLAND

Dear Parent/s
WE WOULD LOVE TO INVITE YOUR CHILD TO BE PART OF AUSTRALIA'S NO. 1 MULTI-SPORTS CAMP THESE HOLIDAYS.

When we use the word camp we don't mean sleepover. Our Motiv8sports events run from 8.30am to 3.30pm and are designed for K(Prep) - Grade 6 children.

At Motiv8sports there is a reason why the word motiv8 comes before the word sports. The sports we perform are really important but our primary focus is creating a sports dreamland where children are not only safe but motiv8ted by our team of energetic coaches to get in and have a go. Sportsmanship, building resilience, forming new friendships and learning about teamwork is all part of the Motiv8sports experience.

THE MOTIV8 GAMES are held only once every year and provide campers from across Australia the chance to win Gold. The Motiv8 Games is a futuristic version of the Olympics with a rock concert style atmosphere. This 2-day multi-sports event will give campers the opportunity to participate in a long list of non-contact team sports, individual events, showdowns and team building challenges. This years Motiv8 Games will include 8 x 75 minute sessions including: Future Sports, Elimin8tors, Tour De Force, The Octathlon, Colosseum, Copa America, Hour of Power and Showdown City.

We take pride in providing the best school holiday camps on the planet. Please scan the QR code below or call the number listed to learn more about our staff, supervision and safety.

WE HOPE TO SEE YOU AT ONE OF OUR CAMPS THESE HOLIDAYS.

Lifestart is an early childhood partner for the early childhood approach

Delivering the NDIS in
your community

Early childhood intervention is about giving your child the best possible start in life.

If your child is younger than 7 with a disability or you are concerned about their development, you may be able to get help through the NDIS early childhood approach.

You can contact an early childhood partner to access the NDIS early childhood approach.

Lifestart is your early childhood partner if you live in one of the following areas:

- Central Coast
- Illawarra Shoalhaven
- Nepean Blue Mountains
- South East Sydney
- Sydney.

Your early childhood partner can:

- connect you to local services such as child health services, playgroups, childcare, parent support groups, education options and recreation and give you practical information about child development
- use observations and information from screening tools, assessments or reports to understand the impact of your child's delay or disability
- where appropriate provide a short period of early supports to help you and your child to work towards goals
- support you to apply to the NDIS if you decide to apply on your child's behalf, including support to put together information and evidence to help to work out goals
- help you connect with best practice early childhood intervention services
- monitor your child's progress and support them to transition from the early childhood approach.

You can find out more about the early childhood approach by visiting the [NDIS website](https://www.ndis.gov.au/early-childhood-approach).
