Principal Message

External Validation

It is with great pleasure and excitement that I extend my heartfelt congratulations to the entire school community. Today, we stand at the forefront of educational innovation and success, blazing a trail towards improved school performance and extraordinary achievements for our students.

Last Tuesday marked a momentous occasion as our esteemed External Validation Panel convened to assess our school's progress across the 14 vital elements encapsulated in the School Excellence Framework (SEF).

I am thrilled to announce that their verdict resonated harmoniously with our own judgments, affirming the outstanding quality of our setting.

Principal Message Continued.....

Let us take a moment to reflect on the immense pride we feel for our remarkable team and their unwavering commitment to delivering top-notch education to every single student within our care. Their tireless efforts have yielded remarkable results, particularly in the domains of Curriculum and Professional Standards. We have not only risen to the occasion but have also set the bar high for others to follow in the realm of Educational Leadership.

As we embark on the third year of our 5-year professional Learning map, we are poised to reach even greater heights of excellence. Our trajectory is one of unparalleled success, as we passionately strive to conquer every single element within the SEF. With boundless determination and a shared vision, we shall continue soaring to excellence, shaping the future of education and setting new benchmarks for educational institutions far and wide.

Playground

Get ready to mark your calendars because next Wednesday is a day that will bring smiles to our faces. After patiently waiting for two long years, we are finally going to unveil our newest addition—the fantastic undercover area specially designed for our students' enjoyment.

During this time, we had to put a pause on building projects, but that didn't dampen our spirits. Now, we are thrilled to announce the arrival of a safe and secure play space where our students can have fun without worrying about the weather. This undercover area will shield them from rain or shine, allowing them to play freely throughout the year.

Sustainability

Great news! Our team has received the green light for a grant that will make our garden space even more amazing as we move forward with our plan. We're thrilled to share that this project will involve creating a peaceful haven with diverse cultural sections along the back of our football field.

Over the course of the next 12 months, we will be collaborating with Shaw Projects, an experienced partner, to bring this vision to life. Their expertise will guide us through every step of the process, ensuring that our garden sanctuary becomes a reality.

Imagine strolling through a serene oasis, exploring different areas that celebrate various cultures. This addition will not only enhance our garden but also provide a space for our community to immerse themselves in multicultural experiences. It's an exciting endeavor that we can't wait to embark upon.

With the grant secured and Shaw Projects on board, we are ready to begin this trans-formative journey. The next phase of our plan promises to be filled with inspiration, beauty and the joy of working together to create something truly special.

Stay tuned as we share updates and progress along the way. This project is a testament to our team's dedication and the support we've received. Together, we will cultivate a vibrant garden space that reflects the richness of our community and brings people closer together.

Principal Message Continued.....

Preschool

Exciting news! Our Preschool is getting a fabulous makeover and we are thrilled to announce the addition of a brand new softfall play space. But that's not all—prepare to be amazed as our incredibly talented Miss. Donaldson works her magic, putting the finishing touches on a magnificent whale and enhancing our outdoor learning space with an enchanting Alice in Wonderland sea theme.

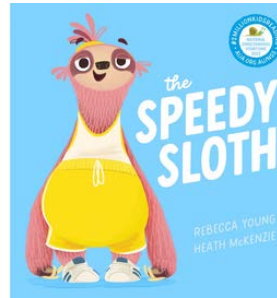

Imagine the joy and wonder that will fill the air as our little ones step into this transformed area. The softfall play space will provide a safe and cushioned surface for them to explore and play to their heart's content. It's an exciting upgrade that will make their preschool experience even more delightful.

And let's not forget about Miss. Donaldson's incredible artistic skills. With her creative touch, our outdoor learning space will come alive with the magic of Alice in Wonderland and the captivating wonders of the sea. It will be a place where imagination knows no bounds, where our preschoolers can embark on exciting adventures and discover new realms of knowledge.

School News:

Warrawong Library Visit

Last Wednesday, students from K Skobeloff and K-2 Aqua took part in National Simultaneous Storytime. This special event sees children from all over Australia and the world stop at 11am to read a story by an Australian author. This year we were fortunate to be invited to Warrawong Public Library to read the story 'The Speedy Sloth', by Rebecca Young and Heath McKenzie.

The students had a great time walking to the library, singing songs, dancing and reading stories. All of the students are to be congratulated on their exceptional behaviour, wonderful manners and beautiful school uniform. A big thank you to Miss Andonovski, Miss Gentle, Cheryle and our lovely parent helpers. It was great to share in the joy of reading with each other in the wonderful library.

Mrs Breasley

Class News: Crimson

Konnichiwa! This term, Crimson have been on an adventure to the fascinating country of Japan. Students have had the opportunity to explore Japan's rich culture, landmarks and cuisine and discover all the interesting things that make Japan so unique.

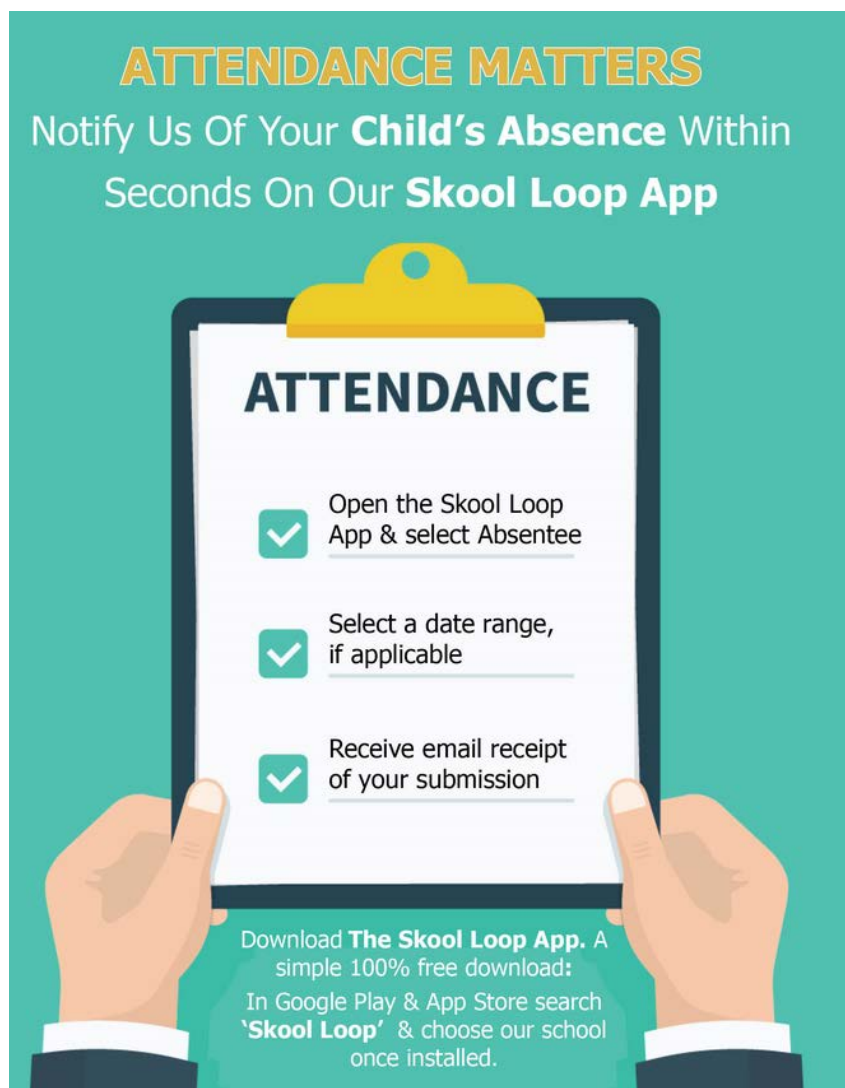

Students were able to dive into various aspects of Japanese culture, such as traditional clothing, food, and art. They learned about the Japanese kimono, a traditional garment worn on special occasions. They also learned about Sushi and Mochi Balls, famous Japanese foods.

Students created these beautiful Kimonos and Cherry Blossom trees in art.

Overall, students have had an amazing time learning about Japan and its culture. They were able to expand their knowledge and gain a new appreciation for this fascinating country.

THE MOTIV8 GAMES

IT'S TIME TO GO FOR GOLD

USING SPORT AS A TOOL TO MOTIV8. INSPIRE & ENTERTAIN CHILDREN IN A SAFE SPORTS DREAMLAND

Dear Parent/s
WE WOULD LOVE TO INVITE YOUR CHILD TO BE PART OF AUSTRALIA'S NO. 1 MULTI-SPORTS CAMP THESE HOLIDAYS.

When we use the word camp we don't mean sleepover.
Our Motiv8sports events run from 8.30am to 3.30pm and are designed for K(Prep) - Grade 6 children.

At Motiv8sports there is a reason why the word motiv8 comes before the word sports. The sports we perform are really important but our primary focus is creating a sports dreamland where children are not only safe but motiv8ted by our team of energetic coaches to get in and have a go. Sportsmanship, building resilience, forming new friendships and learning about teamwork is all part of the Motiv8sports experience.

THE MOTIV8 GAMES are held only once every year and provide campers from across Australia the chance to win Gold. The Motiv8 Games is a futuristic version of the Olympics with a rock concert style atmosphere. This 2-day multi-sports event will give campers the opportunity to participate in a long list of non-contact team sports, individual events, showdowns and team building challenges. This years Motiv8 Games will include 8 x 75 minute sessions including: Future Sports, Elimin8tors, Tour De Force, The Octathlon, Colosseum, Copa America, Hour of Power and Showdown City.

We take pride in providing the best school holiday camps on the planet. Please scan the QR code below or call the number listed to learn more about our staff, supervision and safety.

WE HOPE TO SEE YOU AT ONE OF OUR CAMPS THESE HOLIDAYS.
