22 September	Canteen Special Day Rainbow Dash

Principal Message:

Market Day Extravaganza!

What an absolutely fantastic and momentous occasion we had with our Market Day! We want to extend our heartfelt gratitude to the entire school community for coming together to make this day run so smoothly, with nothing but smiles and pure enjoyment lighting up our students' faces. This event truly added positively to our students' core memories, enriching their school experience.

A big round of applause goes out to our competition winners:

Jack V- for securing the Dragons Jersey

Taj (Aqua) for claiming the Bryan Fletcher memorabilia

Mrs. Breasley for acing the Jelly Bean guessing competition

Latrell's Mum for triumphing in the Baby Photos competition

To the lucky winners, we'll be reaching out to arrange prize collection.

Kudos and a standing ovation to Brody and Tamika for their remarkable Fidgets stall, which not only raised the most funds but also garnered the highest number of coupons throughout the day. Clearly, this stall was a smashing favourite!

A heartfelt thank you and a job well done to our year 5 and 6 students and their families for their incredible support in making this fundraiser a roaring success. You've collectively crafted an unforgettable day for our entire school community.

Let's bask in the glow of this triumphant Market Day and look forward to more shared moments of greatness in the future!

Celebrating Superhero Day: Uniting Against Bullying and Violence

In a vibrant and powerful display of unity, our school recently celebrated a triumphant Superhero Day, standing firmly behind the National Day of Action against Bullying and Violence. This remarkable event not only brought a sense of fun and excitement to the school corridors but also conveyed a strong message of solidarity against bullying in all its forms.

On this special day, students, teachers, and staff donned their capes, masks, and superhero attire, symbolising their commitment to being heroes for change. The spirit of the occasion was palpable, as a sea of colourful costumes filled the school grounds, creating an atmosphere of enthusiasm and empowerment.

The celebration was not just about wearing costumes, but also about fostering a sense of responsibility and empathy among our students. Classroom discussions centred around the importance of standing up against bullying, supporting one another, and promoting kindness. Students engaged in various activities that emphasised the significance of creating a safe and inclusive environment, where every individual feels valued and respected.

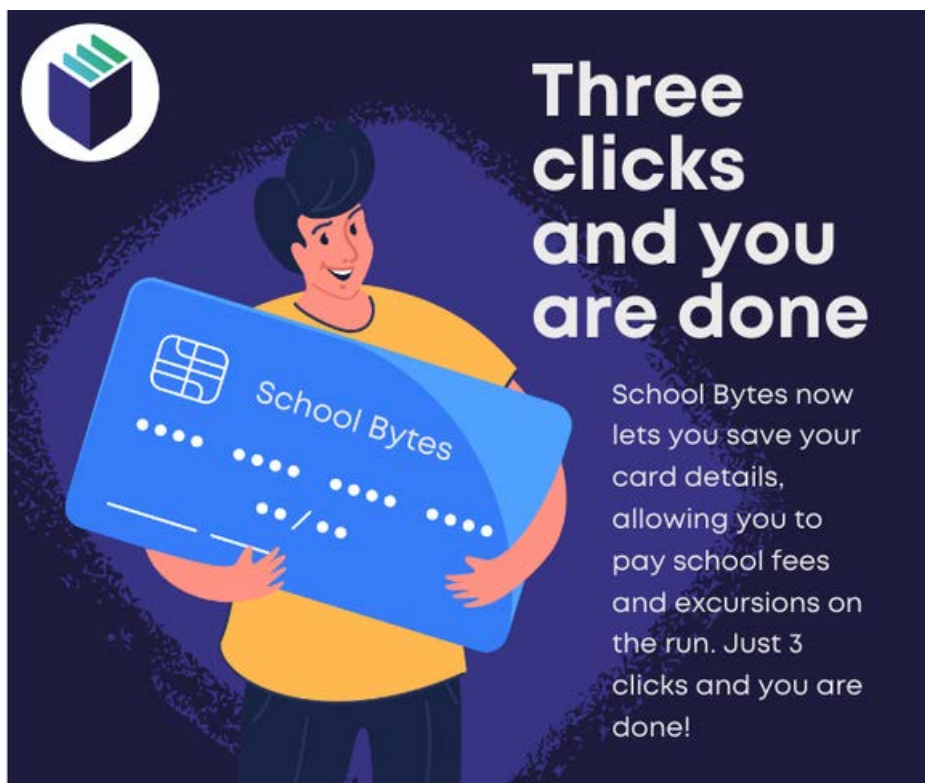

Principal Message:

As the capes were hung up and the masks set aside, the impact of Superhero Day continued to resonate. The event's success lies not only in the laughter and camaraderie shared but also in the commitment it sparked within each individual to actively contribute to a world free from bullying and violence. Our school stands proudly alongside the National Day of Action, united in our mission to create a safe and welcoming environment for all.

In the end, Superhero Day wasn't just about the costumes; it was about embodying the qualities that define a true hero: courage, empathy, and the determination to stand up for what is right.

Excellence in Education

Within our institution, the pursuit of high-stake learning stands as paramount, guiding our focus on fortified lesson quality through evidence-based research. This path has yielded remarkable strides in student advancement, and we derive immense satisfaction from the encouraging indicators of progress seen in our students. Kindly mark your calendar for week 10 as an opportunity to witness firsthand the remarkable learning transpiring within our classrooms through our open classroom sessions. Your presence will be greatly valued and appreciated.

Class News: Fuchsia

This week in Fuchsia, students experimented with 'ghost writing' by using white candle wax patterns and vegetable ink to decorate the background of their Rocking Horse artworks.

Fuchsia Art Teacher, Miss Donaldson will make A3 colour copies of these works for children to cut up into jigsaw pieces. Children will then have a fun lesson of playing with their very own puzzles!

I follow instructions in the classroom and playground

(Respect) (Responsible)

- I follow instructions given to me by teachers and SLSO'S
- I follow the classroom and school rules
- I ask for help if I need it

FATHER'S DAY GIFT STALL

Go4Fun

A FREE 10-week program for children aged 7-13 and their families.

Come along for some fun and learn about healthy eating and keeping active for the whole family.

Go4Fun includes:

- Fun games for the children each week.
- Discussions with parents/carers about healthy eating.
- Lots of goodies including handballs, skipping ropes and recipe books.

Go4Fun is for children above a healthy weight. It is a program for the whole family so a parent or carer is required to attend each week. This can include a grandparent, aunt, or uncle.

Join in the fun this term!
