Principal's Message:

Celebrating Talent and Creativity in the HPAG Extend Program

In Week 6, 207 students from across the Illawarra proudly graduated from the 26-week High Potential and Academically Gifted (HPAG) Extend program. Throughout the program, students delved into fascinating topics like the origin of the universe, chemistry, algebra, ancient civilisations, and Shakespearean drama. They embraced hands-on challenges, puzzling problem solving and faced questions we still don't know the answers to.

At the End-of-Year Curiosity and Creativity Expo, students wowed Principals, teachers, parents, and guests with their incredible Personal Inquiry Projects. From animations, board games, and film trailers to culinary creations and scientific experiments, the creativity on display was nothing short of inspiring. Guests were also treated to spoken word performances where students shared their authentic voices on topics they're passionate about.

A big thank you to the host schools, Principals, and everyone who supported this enriching experience. Congratulations to our amazing Year 5 representatives Brody and Daniel for their hard work, growth, and success in this challenging and enriching program.

Sewing Club News:

This term in craft club students have been learning how versatile yarn can be. Students have been busy creating Pom Pom's. They have learned to be patient and persistent as it is a long process but worth the end result.

Class News: Tuscany

In Tuscany we have been fortunate enough to participate in the Readercise program with the PCYC at Lake Illawarra. Each Wednesday, students have engaged in various activities along with reading. This term, Tuscany have been focusing on the unit "Please can I visit". The class has been learning about various countries and writing letters to persuade their families to take them to visit these locations or places within Australia.

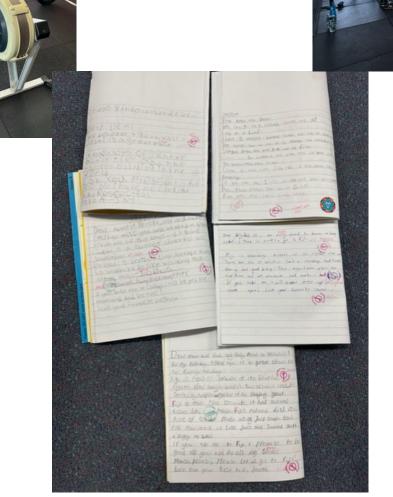

Class News: Tuscany continued..

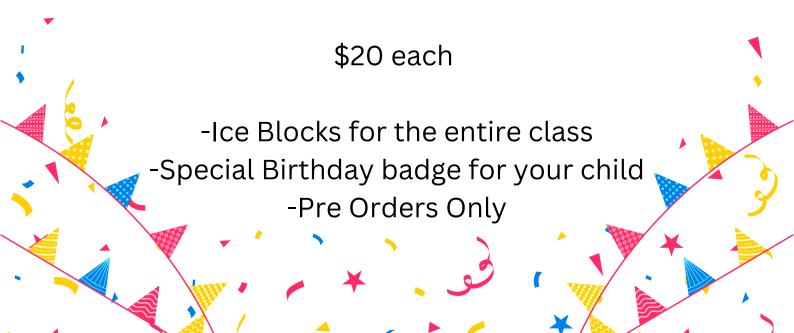

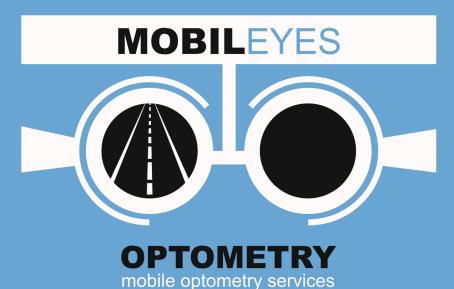

Happy Birthday to the below students who have celebrated their birthday over the last few weeks!!

Laura, Kashi, Addy, Lexi, Bailey V, Marlie, Bentley, Darcy & Hazel

We like to celebrate birthday's here at KPS & would like to remind you that the canteen has special "Birthday Buckets" available to purchase. Please refrain from bringing in cakes/muffins or lolly bags for your child's class.

Fully Bulk-Billed Mobile optometry MobilEyes Optometry comes to you!

Vision opens access to education.

Eye coordination and eye focusing disorders can cause struggles with reading despite learning intervention.

Children do not know how they are meant to see the world, so they may not complain.

They may show us that they have a problem through behaviour changes and poor school performance.

We offer full comprehensive eye examinations whilst school screenings may miss developmental visual issues such as eye coordination, tracking and focusing.

Does your child:

get easily distracted

not complete homework

• loses place while reading

rub their eyes

blink excessively

says that they do not like reading

We can help optimise the visual skills to promote learning.

TERM FOUR

National Nutrition Week

National Nutrition Week encourages all Australians to embrace a healthy diet and lifestyle, with a focus on vegetables. Fruit and veg fall into 5 different colour categories – red, purple/blue, orange, green and white/brown.
Can you take the challenge and

Can you take the challenge and eat a rainbow at your service this week?
Focus on a different colour each day with taste testing, cooking and art activities.
N.B. Date for 2024 yet to be confirmed.

National Water Week

National Water Week makes a splash across Australia in October, inspiring individuals, communities and organisations to build awareness around the value of water.

Schools are encouraged to create and take part in Water Week events, activities and educational resources.

N.B. 2024 dates yet to be confirmed.

Children's Week

<u>Children's Week</u> is a national celebration of children's rights, talents and citizenship.

What talents do children at your service have? Is it singing, running, drawing, cooking or dancing? With the help of peers and educators, have children identify their talent. Write on a piece of paper so it can be shared with parents.

N.B. Date for 2024 yet to be confirmed.

25 World Teacher's Day

A day to recognise and appreciate teachers and the important role they play in shaping the next generation. Have you eveasked a child why they like coming to preschool? It's often you!

Remembrance Day

Each year on this day Australians observe one minute's silence at 11am, in memory of those who died or suffered in all wars and armed conflicts.

National Recycling Week

National Recycling Week brings a focus to the environmental benefits of recycling and aims to provide the tools to minimise waste and manage material resources responsibly at home, work and school. How well does your centre recycle? Check out these recycling myths to ensure your school is following correct information.

Be Sun Smart

Beat the heat and be sun safe at school. Check out these <u>activities and</u> <u>programs</u> to enhance sun protection education.

Summer is in the air

December can often be filled with festive snacks, meaning lots of added sugars and fats. You can limit this by doing a healthy cooking experience around summer fruit and vegetables. Check out what is in season.

Graduations & Christmas

It's Christmas and graduation time! Encourage your families to bring in healthy celebration foods to share at graduation and Christmas parties. Check out the <u>Celebrations Cookbook</u> and share this resource with your families for ideas.
